From April 2020 the Archipel team is pleased to offer for charter in Greece the brand new Lagoon 46 catamaran. The crew, composed of the captain and a cook, ensures your comfort at all times. The yacht welcomes up to 8/10 guests plus the crew. Departures take place in Athens from May to October but also from Mykonos in May, June, September and October.

The 46 combines modular front and aft cockpits, a spacious exterior dining area, a practical and safe access to the sea, still giving Nauta Design large volumes in the interior salon to fully express themselves.

The 46 is also innovative with the size of her outstanding forward cabins, identical as the aft cabins! ALICE can sleep up to 10 people thanks to her four double cabins with en suite heads and showers and an extra folding bunk in the indoor living room.

The crew's quarters are completely separate.

Our sailing cruises combine fun sailing to the visit of a different island every day.  
Enjoy dream vacations in Greece !
